NOTE TO: The Honorable Robert F. Ellsworth
Deputy Secretary of Defense

Dear Bob:

I carefully reviewed your memorandum of 26 April and the attachments thereto. In consideration of your views, as expressed in your latest memorandum, and another close look at my responsibilities, as outlined in the Executive Order, I have rewritten my budget preparation paper. Every attempt has been made to reconcile our differences -- even to the extent of adding a paragraph saying what the CFI will not do.

Please give me a call next week and let me know whether you agree with this latest draft or not.
